

ReTractTM RSR

**deluxe manual wall screen
with our regulated screen return system**

Utilizing the latest in technology including our ReTractTM RSR (regulated screen return) system, heavy-duty construction, and display surfaces optimized for HD, ReTractTM RSR screens offer you the most screen for your display investment.

The Best Features For Less. At RecordexUSA we don't believe in providing a basic screen and then making you pay big dollars for upgrades that we feel should be standard. That's why you'll find that all of our ReTractTM RSR manual screens offer what others claim to be deluxe or optional.

Attention To Every Detail. Screens are all about details. They must be made by hand using the latest in high precision equipment to [guarantee uniformity](#). From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous testing. Our factory is fully [ISO 9001:2000](#) certified to guarantee our testing is exact and complete on every screen that we make.

Beautiful, Practical Screen Surfaces. ReTractTM RSR Deluxe Manual Screens feature our advanced Ultra3TM Matte White Fabric Surface with the time honored slightly textured screen surface professionals prefer. Perfect for fixed installations our Ultra3 Matte White surfaces boast up to 1.1 gain, a wide 160 degree viewing angle, anti glare technology, and standard black backing. You'll have [beautiful fine color rendition](#), soft light, and virtually no visual fatigue even after hours of use. Plus it's very [durable and easy to clean](#).

Tough As Nails, Beautiful to Behold. Utilizing our own extra strong MagTufTM steel screen housings, all RecordexUSA screens are built for the rigors of commercial environments. Our hardened paints and finishes are both [strong and scratch resistant](#), and compliment any décor or environment.

MaxFlatTM Design, Unparalleled Viewing Experience. All our screens are designed to virtually eliminate any of the surface anomalies of yesteryear's screens. Our Ultra3 Matte White Fabric Surface uses our MaxFlatTM finish and a 4-side light absorbing matte black border. Combined they give you an outstanding flat, crisp, maximum contrast surface that allows for an [unparalleled viewing experience](#).

Ultra Smooth ReTractTM Regulated Screen Return System. Our ReTractTM RSR system smoothly returns your screen to the housing at an [optimum controlled pace utilizing our specially designed steel bearing system](#). Without RSR a screen can "get away from you" when you are putting the screen up, similar to how a roller window shade will "thwack" up if you let it go. To prevent this and prolong screen life we offer our manual wall screens with our premium RSR feature.

Popular Sizes & Ratios Always Available. From intimate to show-stopping sizes in your choice of 1:1, 4:3, or 16:9. Our ReTractTM RSR Manual screens offer the size and aspect ratio that will fit your application perfectly.

Convenient Wall or Ceiling Mount Design . Our [flexible mounting system](#) allow for easy installation whether you are planning to mount your ReTractTM RSR screen from the ceiling or the wall. We also carry a range of mounting brackets for away-from-wall installations.

More Warranty At No Extra Charge. Double what most others provide, our 2-year warranty backs up our commitment to quality with [extra peace of mind at no extra charge](#). And remember, since 1969 RecordexUSA has always been here to help you with any questions, requests, or service needs. * [Note: 3-Year Warranty for Education Customers \(Schools\)](#)

Regulated Screen Return ensures that your manual wall screen retracts at a slow controlled pace. Without RSR the screen can “get away from you” when you are putting the screen up, similar to how a roller window shade will “thwack” up if you let it go. To prevent this and prolong screen life we offer our manual wall screens with our premium RSR feature.

PRODUCT SPECIFICATION STATEMENT (screens less than 80 inches wide)

Hexagon case of 22 gauge steel, flat back design, with painted scratch-resistant white finish. Shatter resistant, injection molded plastic end caps are matching white color with integrated wall/ceiling mounting brackets. Smooth, spring controlled locking allows for screen to be set to desired length. RSR feature provides steel bearing controlled slow return. Ultra3 matte white viewing surface is standard offering 1.1 gain and 160 degree viewing angle, flame and mildew resistant. Surface attached to one-piece rigid steel roller. Bottom of viewing surface attached to roll formed steel dowel, finished white. Shatterproof plastic slat tips are used to cover the ends of the slat. Up to 200" screens feature a seamless viewing area while greater than 200" screens feature a center seam. Black borders are included on all four sides of the screen surface to provide added picture contrast. A manual pull down ring is riveted to provide convenient, secure pulldown. 37" pull cord to aid pull down is standard.

Deluxe Manual Wall Screen
With Regulated Screen Return System (RSR)

Limited 2-year Warranty on Manual Wall Screen with Regulated Screen Return (SCREEN)

Warranty Statement. Recordex warrants to the original purchaser only that the SCREEN will be free from defects in material and workmanship under normal use for a period of two (2) years from the date of original purchase. This warranty shall not apply: (i) to any screen subjected to accident, misuse, neglect, alteration, acts of God, improper handling, improper transport, improper storage, improper use or application, improper installation, improper testing or unauthorized repair; or (ii) to cosmetic problems or defects that result from normal wear and tear under ordinary use, and do not affect the performance or use of the product. If the screen develops a covered defect within the warranty period, Recordex will, at its option, either repair or replace the screen at no charge.

Warranty Period. two (2) years from the date of the original purchase.

Warranty Claims. The original purchaser may obtain warranty service by contacting Recordex Customer Service Center at 1-478-237-5501 or by contacting their authorized Recordex Dealer for assistance in filing a warranty claim. Upon verification of warranty claim Recordex will at its option repair or replace the defective screen at no cost to the customer.

THE ABOVE STATED WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. RECORDEX WILL NOT BE HELD LIABLE FOR ANY OTHER DAMAGES OR LOSS INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES AND LOSS OF PROFITS OR REVENUES FROM WHATEVER CAUSE, INCLUDING BREACH OF WARRANTY OR NEGLIGENCE.

Limited 3-year Warranty on Manual Wall Screen with Regulated Screen Return (SCREEN)
